If you need a new furnace or water heater, ***there's a rebate for that.***

HOMEOWNERS RECEIVE:

- **\$400** when replacing an electric, natural gas or fuel oil furnace with a new propane furnace in an existing home or in a new construction.
- **\$300** when replacing an electric or natural gas water heater with a new propane water heater in an existing home or in a new construction.

Energy efficient propane appliances can reduce your energy bills by approximately 13% to 20% in annual energy costs, compared with standard electric models.

Propane has minimal emissions (EPA), cuts your home's carbon footprint by nearly 50% compared to electric.
